

# a **peace** of my **mind**

An evening with photographer John Noltner

**Hendricks Chapel**

Dean's Convocation

Sunday, October 21

7 p.m.

What does **peace** look  
like to **you?**

Noltner will present the photos and stories he captured during his recent visit to SU. How did our community answer his question?

*>CART services will be present*

John Noltner is an American photographer and peace activist. Noltner's work and subject matter is varied, ranging from small town America to overseas projects. His photographs have been published in national publications including National Geographic Traveler, New York Daily News, Health, Smithsonian, Forbes and Business Week.
